RE: Referral for Greenridge Landscape, Inc.

Dear Sirs,

I wanted to send you a referral regarding Greenridge Landscape, Inc and moreover the professional, ethical and incredible integrity of its owner, Tony Barnaba.

I have worked with him and seen the workmanship that Greenridge provides, and I will say it is above and beyond any and all expectations you could imagine.

I will continue to use his company, and steer work in his direction, as I know the work will get done not only in a timely manner, but with precision and quality.

I highly recommend this company without hesitation.

Sincerely,

Pamela Anderson-Dow
