To Whom it May Concern,

This letter is in regards to our organization's working relationship with Tony Barnaba, owner of Greenridge Landscape, Inc. Tony is a very positive "can-do" person that exceeds our landscape maintenance expectations. He is willing to be available for us at a moments notice, does a wonderful job and is competitive in his prices.

I would highly recommend Tony and his company. We are very satisfied with his services.

Sincerely,

A handwritten signature in black ink, appearing to read 'KC Clifford', written over a large, circular scribble.
